### **The terrorist inside my husband's brain**

not knowing what was happening to my husband. Was it a single source, a single terrorist, or was this a combo pack of disease raining down on him? He kept saying, "I just want to reboot my brain." Doctor appointments, testing, and psychiatry kept us in perpetual motion. Countless blood tests, urine tests.

### **Brains Bennette: The Case of the Missing Mother**

to pad out my cheekbones and fill out the shape of my face." "Could'a fooled me," I muttered. "We look a lot alike anyway," Brains said, as if he were expounding on some new forensic technique, like how to obtain fingerprints from a rough surface. "Around the mouth and eyes, in particular. That made it easy." My eyes wandered to

### **# 19 DIAGNOSTIC GRAMMAR TEST**

# 19 DIAGNOSTIC GRAMMAR TEST. My nose is gummy and my brains are boiling, therefore I'd like to go home. 44. My father, who hasn't had a vacation for three years, is on his way to Puerto Rico. Add necessary capitals and change unnecessary capitals to lowercase. 45. My Father would never tell me what he did at the Elk's club.
